**Department of the Interior, Bureau of Indian Affairs, Anadarko Agency,
Under Sealed Bids and Oral Auction,
May 12, 2010**

SEALED BIDS will be received until 9:00 A.M., Central Standard Time, May 12, 2010 at **Mildred Cleghorn Conference Room in Anadarko, Oklahoma**. Bids will be accepted for the leasing of Allotted and Tribal lands within the Anadarko Agency jurisdictional area to include Caddo, Canadian, Comanche, Cotton, Grady, Kiowa, Jefferson, Stephens, Tillman, and Washita Counties, Oklahoma, for Oil and Gas Mining purposes.

The sale will be held at the Anadarko Agency, Mildred Cleghorn Conference Room, Anadarko, Oklahoma.

SALE PROVISIONS

Oral Auction Provisions - Immediately following the opening and evaluation of all bids, items receiving two (2) or more bids will be subject to oral auction bidding. **Oral Auction will be held following the completion of the opening of sealed bids on May 12, 2010.** These tracts will be offered to all qualified bidders who submitted sealed bids for the tracts. All sealed bids will be opened, recorded, and a determination made for all auction items listed on the specified day by the Anadarko Agency.

This sale will be conducted under regulations promulgated by the Secretary of the Interior, Title 25, CFR 211 and 212 (Act of May 11, 1938, 52 Stat. 347; 25 U.S.C. 396A-F) as to the leasing of Tribal and Individual allotted lands. The Superintendent reserves the right to reject any and all bids and to disapprove any lease submitted on an accepted bid. The specified tracts of land are being offered subject to the acceptance by the individual Indian owners of the allotted land, or the Tribal government body on Tribal lands. A separate lease will be completed on the applicable forms for each tract of land.

Subject to the foregoing, leases will be sold to the bidder who offers the highest bonus money on a per tract basis subject to a review by the Bureau of Land Management, Division of Land Management, and Division of Economic Evaluation. On tracts receiving only one (1) bid, the bidder will be given one (1) opportunity to improve the bid. Conditional or alternate bids will not be considered. No drilling propositions will be considered as part of the bonus offer. Each sealed bid must be accompanied by a deposit of at least 25% of the bonus offered. All deposits are to be made by certified check, cashiers check, or postal money order, made payable to the **Bureau of Indian Affairs**. Sight drafts will not be accepted. Deposits received from unsuccessful bidders will be returned promptly. Those bidders submitting improved bids will be required to increase their 25% deposit and amend their bid form within five (5) days from the date of this sale.

Within thirty (30) days after notification of being the successful bidder, the bidder must remit the balance of the bonus, the first year's rental, appropriate portion of advertising costs, and a filing fee of \$75.00 for each lease, and shall file with the Superintendent, the lease in completed form.

ABSOLUTELY NO ADDITIONAL TIME WILL BE GRANTED PAST THE 30 DAY PERIOD FOR REMITTING THE BALANCE OF MONIES DUE ON ACCEPTED BIDS. The Superintendent may, for good and sufficient reason, extend the period for completing and filing the leases, but no extension shall be granted for remitting the balance of the monies due. In addition to all other remedies provided by law, failure of the successful bidder to comply with the terms of the sale will render 25% of the total bonus bid theretofore paid by him/her forfeited for the use and benefit of the Indian owner without further action on the part of this office.

In the event that no bid is received and accepted on a requested unit or tract, the cost of advertising may be assessed against the applicant who requested the tract to be advertised.

Lessees shall furnish with each lease a corporate Surety Bond acceptable to the United States in the amount of \$2,500.00 per lease, subject to an increase should drilling commence on subject lease, or the lessee may file a Collective Bond (Form 5-5430) in the sum of \$75,000.00 for all leases of minerals in the Anadarko Area.

In lieu of the foregoing bonds, a lessee may furnish a \$150,000.00 Nationwide Oil and Gas Lease Bond (Form 5-5438) for full nationwide coverage with an acceptable company authorized to act as sole surety to cover all oil and gas leases or permits to which the lessee may become a party.

Important Notice: All successful bidders will be required to prepare their own lease and obtain the signatures of the Indian Mineral Owners or the respective Tribe. **Incomplete leases will not be accepted or considered by the Anadarko Agency.** Leases must be drawn on the standard lease form used in the Anadarko Area (AAO-81) which will be provided by the Anadarko Agency. Unless otherwise noted in the schedule, the leases on allotted Indian Lands will be drawn for a maximum term of three (3) years from the date of approval by the Superintendent, Anadarko Agency, Anadarko, Oklahoma, and as long thereafter as oil and/or gas is produced in paying quantities. The rate of royalty on allotted lands is twenty percent (20%) on all leases; and rental paid in advance at \$3.00 per acre in advance for any one year will not be considered as credit on the royalty. The **Tribes under the jurisdiction of the Anadarko Agency** reserve the right to negotiate the rent and royalty rate on advertised Tribal properties. Oil and Gas leases on Tribal lands will be awarded according to conditions deemed acceptable by the Tribes.

If the lessee commences drilling with a rig designed to reach a proposed depth and such drilling commences by midnight on the last day of the primary term of the lease and continues until the well is fully completed to production or abandoned, the lessee shall have the right to drill such well to completion with reasonable diligence and this lease shall remain in full force and effect as if such well had been completed with the primary term and said lease.

All Departmental leases awarded under this advertisement contain a provision that all acreage not included in a unit and not producing or upon which drilling operations have not commenced shall be released at the expiration of the primary term; and further that the lease shall terminate as to all non-producing formations at the expiration of the primary term of the lease. Also included are provisions that address surface damages and geological or geophysical permits.

All bids should be addressed to the Superintendent, Anadarko Agency, P.O. Box 309, Anadarko, Oklahoma 73005, each in a separate plain envelope marked: Bid for Oil and Gas Mining Lease, Not to be Opened Until May 12, 2010, 9:00 A.M., CST. The item number must be clearly printed on the outside of the bid envelope with one (1) bid per envelope. ENSURE THE ITEM NUMBER IS CLEARLY PRINTED ON EACH CHECK SUBMITTED.

BIDS SENT THROUGH THE MAIL MUST BE RECEIVED NO LATER THAN MAY 11, 2010 AT THE ANADARKO AGENCY.

All questions pertaining to this Oil and Gas Lease Sale should be directed to Anadarko Agency, Oil and Gas Section, 405/247-6677.
